COPYRIGHT CLEARANCE/TRANSFER AGREEMENT

The 19th International Conference on Composite Materials (ICCM19)
Hosted by Canadian Association for Composite Structures and Materials
July 28 – August 2, 2013, Montreal, Quebec, Canada

Title: MECHANICAL PROPERTIES OF 3D WOVEN COMPOSITES WITH LARGE REPEAT UNIT

Authors: Edward Archer, Alistair Mcilhagger

Copyright of the text and illustrations of the above paper authored by the undersigned to be published in the Proceedings of the Nineteenth International Conference on Composite Materials is hereby transferred to the publishers: Canadian Association for Composite Structures and Materials, Montreal, Quebec, Canada.

The publishers agree that the authors retain the right to use the substance of the paper in future works, including lectures, press releases and reviews, provided that the usual acknowledgments are made regarding copyright, the original reference and the publishers. Should the paper not be published for any reason, then the copyright reverts to the authors.

In making this transfer, the authors confirm in respect of the above-mentioned paper that:
(a) they currently own the copyright to it;
(b) it has not been previously published in the English Language;
(c) it is not under consideration by any other publisher;
(d) it contains no libelous or unlawful statements and does not infringe on the rights of others;
(e) all necessary permissions have been obtained for the reproduction of text or illustrations;
(f) the contact author of this paper given below is empowered by any/all co-authors to accept this agreement.
(g) A copy of this accepted agreement, in PDF format, would be accessible from the Paper Information page for
